

Tanner Cundy Bio - Short Form / Press Blurb

Tanner Cundy is a Cornish-born, Pacific Northwest based musician and recording artist. Heavily influenced by timeless songwriters and sound-crafting guitar pioneers, Cundy weaves a totally unique blend of acoustic wizardry with easygoing lyricism and choice melodic interludes. Notable for his upside-down approach to guitar and deep knowledge of emotion-bending effects, his sets are truly one-of-a-kind and come as a highly recommended musical experience.

Tanner Cundy Bio - Long Form / Article Blurb

Tanner Cundy is a Cornish-born, Pacific Northwest based musician and recording artist. Heavily influenced by timeless songwriters and sound-crafting guitar pioneers, Cundy weaves a totally unique blend of acoustic wizardry with easygoing lyricism and choice melodic interludes. Notable for his upside-down approach to guitar and deep knowledge of emotion-bending effects, his sets are truly one-of-a-kind and come as a highly recommended musical experience.

As a sideman and as a member of bands like Will West & The Friendly Strangers and The Druthers, Cundy has performed thousands of sets for enthusiastic crowds all over the Northwest and beyond. His engineering and production talents have been key components in creative endeavors for many artists, and his Sleepy Owl Soundlab studio holds mixing, mastering, media, and photography credits on a wide variety of esteemable work.

Cundy is currently producing an anticipated follow-up to his 2013 album *Flying Under Sea*, which was recently re-mastered and released on all streaming services, and signed by STOMP Music for exclusive distribution in South Korea.
